

EMT: Heather Kaufman (937) 605-4305 (on site)
Safety Coordinator: Jennifer Karnes (810) 874-1474
Show Steward: Andrea Lord (434) 738-3567
On Call Veterinarian: Dr. Ashley Appelhans (937) 845-3146
Show Manager: Tina Bunce (419) 308-2934

EMERGENCY PLAN

IN THE EVENT OF AN ACCIDENT

1. Do NOT move the patient or horse
2. Call EMT and/or Veterinarian and/or Steward; give ring location (warm-up or show)
3. Secure the horse if loose
4. EMT will evaluate and determine the status
5. If required; call 911. Ask the ambulance driver not to use any lights or sirens, due to the danger of spooking horses. **Exhibitors are asked not to make 911 calls using their personal cell phone.**
6. Ring master is responsible to clear ALL obstacles and make the ring accessible for ambulance and necessary personnel.
7. Announcer will ask all exhibitors to clear the area and ring. Steward and/or other show personnel will keep spectators back and out of the way.
8. A member of show personnel will keep road clear so ambulance can get through without any further injuries.
9. A member of the show personnel will respond to the entrance of the show grounds to direct equipment to the scene of the injury.
10. Show will hold until all emergency vehicles have left the area.
11. Show steward and medical personnel will complete USEF accident and injury report. In the case of a serious accident or fatality, call USEF at 859-255-6959 (weekday) or 859-312-5186 (weekend).
